Re: U.S. EPA Clean Water Act Inspection Report

Dear Ex. 6. (Personal Privacy):

Please find enclosed the report generated as a result of the Clean Water Act inspection conducted by the U.S. Environmental Protection Agency on April 28, 2021 and April 29, 2021 at Benton Dairy, LLC in Ambia, Indiana and by telephone. The purpose of the inspection was to evaluate compliance with the Clean Water Act.

During the inspection, areas of concern were noted. Please refer to Section 2.3 (page 15) of the enclosed inspection report.

If you have any questions or concerns regarding this letter, or the inspection report, please contact Cheryl Burdett at (312) 886-1463 or at burdett.cheryl@epa.gov.

Sincerely,

RYAN BAHR
